1

OUR COMPANY

Our Sources:

Using the experience of BOX66, we have collaborated with select manufacturers who usually supply to the Hotel & Leisure Industry, to bring you a series of Collections of unrivalled quality and longevity.

What makes us different?:

Our parent company, BOX66, is already working with the developer on specifications, show apartments and communal areas. by the time you come to choose your new home. This gives BOXED® an added insight into the type of design ideally suited to each individual site.

2

YOUR OPPORTUNITY

Owner occupier:

For convenient, affordable, quality design, choose from our pre-designed Collections, packaged and delivered straight to your door.

Agents & Private Investors:

Our SOLO collections have been developed to help you realise your maximum rental potential. Uncompromising design and superior products will help set your property apart from others on the market.

The Developer:

BOXED® are ideally positioned to work with your Operations Team to develop bespoke Collections at the beginning of any new scheme. We will be happy to explore the options with you.

Serviced Apartments:

A new concept providing all the benefits of a hotel with the spaciousness of an apartment. BOXED® has worked with international companies to provide bespoke solutions for this growing trend.

3

DELIVERIES & INSTALLATION

How long will it take?:

We understand the rental market requires a fast turnaround, which is why our SOLO Collections are stocked in the UK for despatch in one week.

Alternative colour options to the SOLO and URBAN ranges are delivered within 4 to 6 weeks from our leading Italian manufacturers.

For a fully bespoke service from our parent company, BOX66, lead-times are generally 6 to 8 weeks (up to 12 for the highest level brands.)

Small package items - contact BOXED® for more information.

How will items be delivered?:

We offer free delivery in the Greater London area and advise that we assemble, install and dress your property for optimum effect. Please ask the BOXED® team for a **ready to go** service when you place your order.
